

ASSISTED LIVING AND CONTINUING CARE AT BIRCH GROVE

# Cost-Comparison Worksheet

Birch Grove’s assisted living price structure is designed to provide predictability and peace of mind. For that reason, our monthly fee includes all services and amenities commonly needed by those who require assisted living. In addition, we provide a more personalized, intensive level of care that typically equates to other communities’ highest tiered levels.

The worksheet below will help you make an apples-to-apples comparison between Birch Grove and other communities you may be considering so you can make the right choice for your situation.
